

Remind pupils to keep a 2-metre distance from each other.

equipment:

- Cones

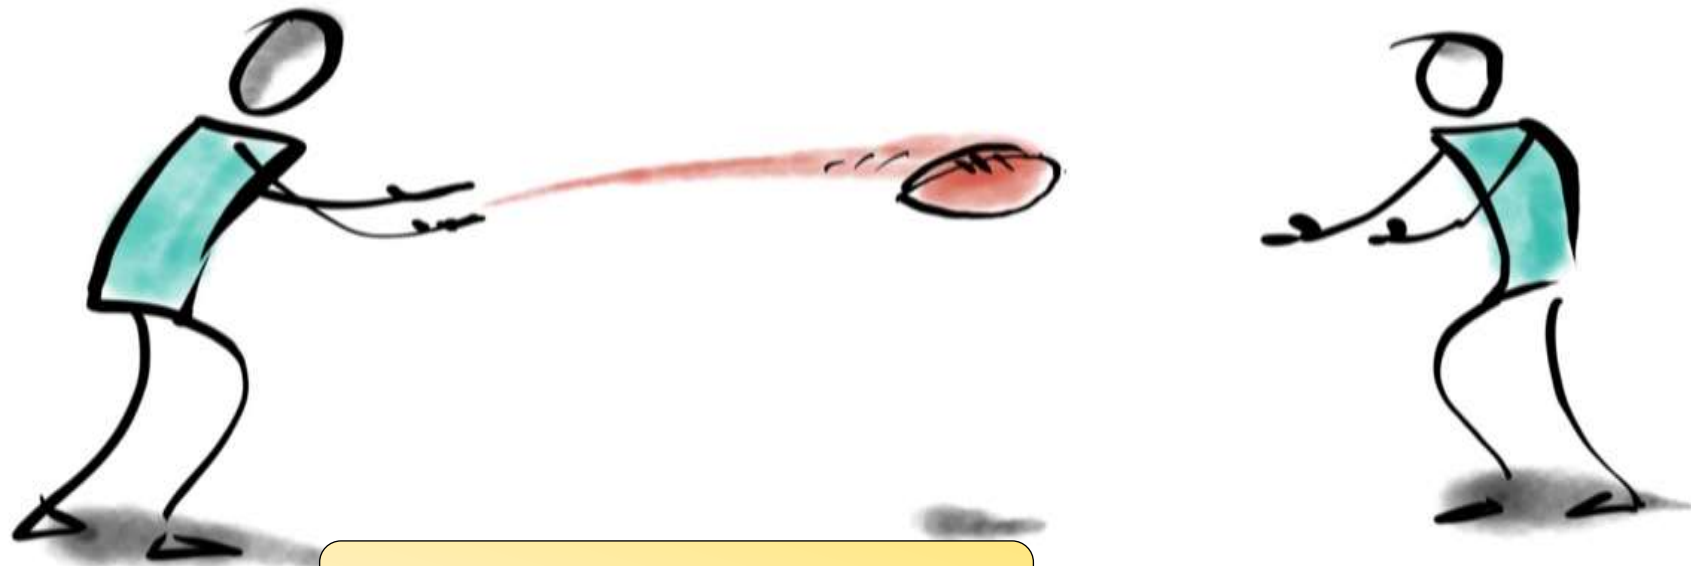

how to play:

- Spread marker spots around the area – 1 per child.
- Children find a spot and stand on it.
- Perform actions on the spot:
 - Jogging.
 - High Knees.
 - Bouncing.
 - Heel Flicks.
 - Star Jumps.
- Let children think of actions to perform and demonstrate to the class.

Do not use marker spots. Ask pupils to find a space and stand still.

This is a summary of a full plan available at www.PEplanning.org.uk.

Please consider individual pupil requirements and carry out a risk assessment of facilities and equipment before your lesson.

*This activity involves sharing of equipment.
Clean thoroughly between bubbles.*

how to play:

- Children to face each other in pairs with a ball between them.
- Explain can pass the ball forwards in this game – **not** in the game of tag rugby.
- Pass the ball back and forth in pairs using two hands.
- Change the distance of passing – based on ability.
- Experiment different ways of passing the ball.
- Remind children that their hands should travel to their hip and finish in front of their chest.

*Ensure a large space is used.
Outdoor would be
recommended for this type of
game.*

Create smaller circles & encourage pupils keep a 2-metre distance.

This activity involves sharing of equipment. Clean thoroughly between bubbles.

how to play:

- All class stand in a circle and pass the ball around.
- When the teacher blows the whistle, the person holding the ball must pass to the next person and run around the circle.
- Rest of the class pass the ball around the circle quickly to try and beat the runner before they get back.
- **Remind the children to hold the ball around the 'body' or 'belly'.**
- Progression:
 - Split into smaller groups
 - Smaller circle – working on speed, agility, and quick reactions.

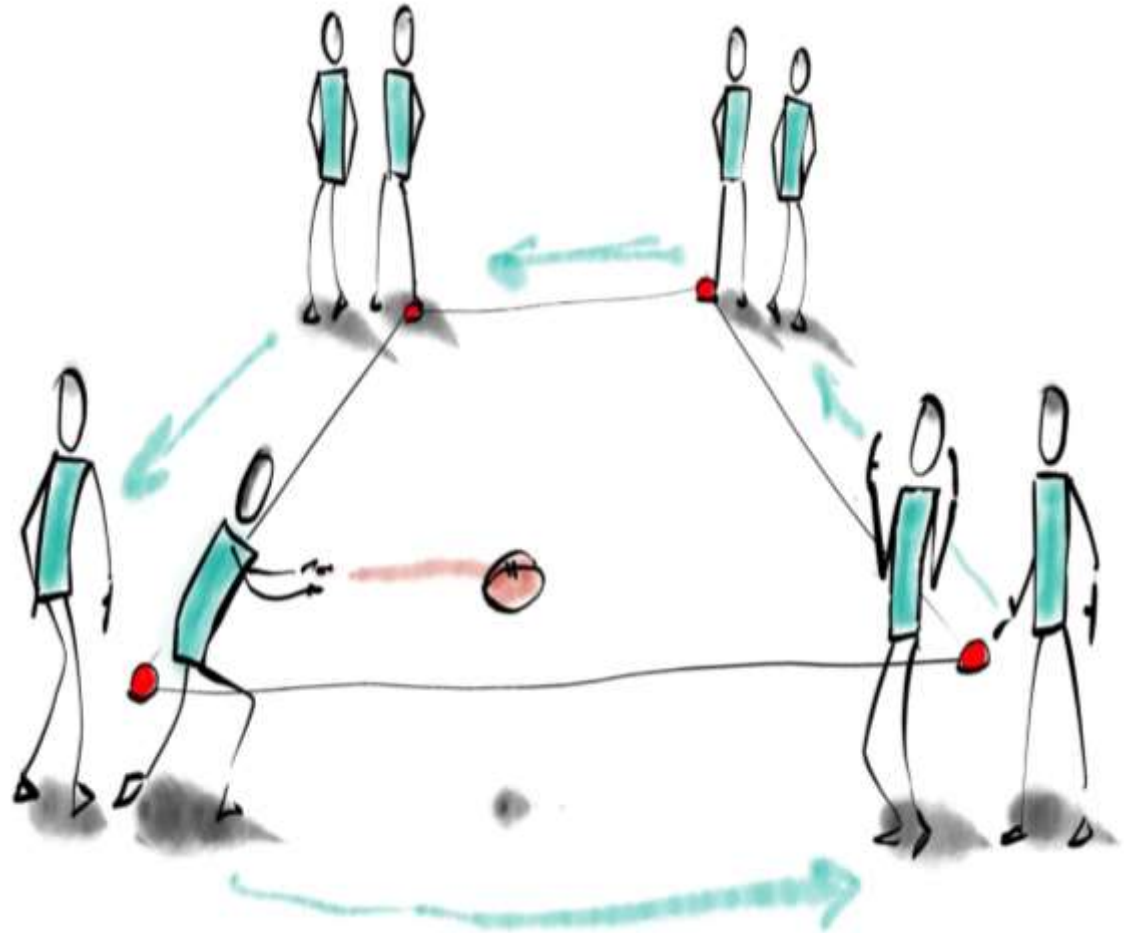

This is a summary of a full plan available at www.PEplanning.org.uk.

Please consider individual pupil requirements and carry out a risk assessment of facilities and equipment before your lesson.

how to play:

- Split children into groups of 8.
- Set up a square grid with 2 children on each corner – 1 ball per grid.
- Pass the ball and join the line they passed to (Pass and Follow.)
- Encourage children to use the correct passing technique.
- 'W' shape to receive the ball.
- **Differentiation / Progression:**
 - Change size of the grid (smaller / larger).
 - Point system for not dropping the ball.
 - Timed competition.
 - Add more balls / change direction.

Create smaller groups. Group the pupils into 5s to aid with social distancing.

Ensure a large space is used. Outdoor would be recommended for this type of game.

Please consider individual pupil requirements and carry out a risk assessment of facilities and equipment before your lesson.

Hamstring

Arm

Quadricep

Side

how to play:

- Explain that static means on the spot.
- Teacher lead stretches – hold stretch for 10 seconds.
- Talk through the muscles and stretches to help children remember for next lesson.

Remind pupils to keep a 2-metre distance from each other when stretching.
